Dear Mr. Baker:

We are delighted that you are back in Washington, but disappointed that you have stated that you are no longer a candidate for President of the United States in 1988. Ever since the Watergate Trial you have been the candidate many of us have wanted. Please change your mind and be our candidate in 1988.

Sincerely yours,

Honorable Senator Howard Baker  
Assistant to President Ronald Reagan  
Washington, N.C. 20510-6025

Dear Senator Baker:

I don't guess I should address you now as  
Senator but as assistant to President. I don't  
know when I was ever more pleased when I  
learned that our President Ronald Reagan  
requested your assistance. I have been keeping  
up with your work in our U.S. Senate and  
may I say you are right up with Senator  
Stennis, and deceased Jim Eastland and our new  
member Alton S. Cochran. I wish you were  
representing Mississippi but you are as close  
to Mississippi as you can be by being from  
Tennessee. Tennessee is a fine state and  
contrary to what the media says Mississippi  
is not at the bottom.

I am certain your new job has changed  
some of your plans but maybe our next  
President will need a Counselor and if not  
a few year spread will not make you  
too old to live in the White House.

Since I am three score and ten and my  
hair is white I do <sup>respect</sup> ~~represent~~ maturity.

I wrote President Reagan and I  
sent Senator Stennis a copy of the letter  
and told the President not to let  
Dan Rafter crucify him as he did Richard  
Nixon. Dan Rafter is walking in  
Tulsa - Oklahoma.

not filling his shoes. Mr. Baker has  
cabled off a bit lately since the bosses has  
reduced this budget. I did not get a reply  
from President Reagan and I did not expect  
a reply, but I did get a reply from Senator  
Stennis but you know I did not get a  
commitment from him because he did know all  
the facts. Senator Stennis is behind our  
President and while all this was going on  
Senator Stennis, was getting a Naval Port  
on the coast with the help of his fellow  
Congressman.

I am a farm neared boy and a  
graduate of M.S.U. and worked for the  
State of Mississippi fourteen and one-  
fourth years of which about six was  
with Civil Service but I decided to retire  
and produce agricultural products for  
Mississippians. Mr. Baker I am proud  
to know I live in a State that the  
National Congress has thought enough  
of our delegates, Jim Eastland and John  
Stennis to make them Senators Pro Tem.

I am proud you are in the position  
you are in and I want you to know  
I am behind President Reagan but  
I do not like our former Peanut  
President taking it upon himself to  
travel the world criticizing our President.  
Those are low blows. Mr. Baker Russia,  
Castro and others are not as detrimental  
to our government as the media. Do  
not back down one inch from them  
and let them know that the great  
Country of the U. S. is not going but

and always that is forward.

I apologize to you for this lengthy letter because I know you are a busy man but I want you and President Reagan to know that I am behind you one hundred percent even though I had to sit in a Sunday School class and listen to my teacher lambast every President we have had back to the Kennedy's. Since that time he has softened quite a bit. I am not expecting an answer to this letter but if you would like to learn more about me and my attitude toward my government I can refer you to one of the better Senators in Washington, John Stennis.

With two daily papers and national and state news I am kept up to date.

Wishings for you and yours the very best in this life and life to come, I remain,

Respectfully,  
R. W. McKay

Dear Senator,

We are thrilled that you are with the President and we want you to know that we support you 100% as we do the President.

September 9th, we have invited Frank Fahrenköft and Paul Kirk to be our Fall Guys. We hope for total acceptance soon.

If we do, we hope you will be my guest at that luncheon and we will call your secretary after it is all accomplished.

Joy and Senator Dirksen were a big part of my life at the Shoreham Hotel in my music days as you have become.

You are super to all of us.

Sincerely,

Barnee Breeskin

The P. T. Barnum Tent was founded in Washington in 1952 by Harold R. Robinson, as the Chapter for the Nation's Capital of the Circus Saints and Sinners Club of America. "Robbie" presided over the Tent's organizational meeting on January 19th of that year, and the Tent's first "roast" was staged just four months later on May 26th, 1952.

Over those 35 years from 1952 through 1986, we have staged a total of 128 roastings, for -- since some were double-headers, or more -- a total of 139 Fall Guys and Dolls.

At every roasting we have made a generous contribution to the charity that has been selected by the roast's Fall Guy or Fall Doll -- a tribute to the good sports that all these fine people have been. They have all taken our roastings with graciousness and good nature, to help to aid the imposing array of worthy charities that we have benefitted over our 35 years of support to those who have not been so fortunate as we have been.

Dear Senator Baker,

Belated congratulations on your appointment as  
Chief-of-Staff to President Reagan.

As a Black American Republican, I feel confident that your  
emergence on the Washington political scene, coupled with your  
known and respected abilities will enable the President to  
continue leading our nation effectively.

Although it may be premature, should you decide to seek our  
Party's nomination for the Presidency in 1988, please count on  
me personally and professionally to be an ardent supporter in  
the Buckeye State.

With warmest regards,

Dear Mr. Baker—

I don't wish to seem disloyal  
to my President — but it sure  
is good to see you in the  
White House, regardless of the  
fact that you are not the  
President, yet!

Seriously, I'm writing to  
tell you that I supported you  
for the nomination that went  
to Mr. Reagan and was hoping  
to be able to do so in the near  
future; however, circumstances  
being what they are this is  
probably a very wise move  
on your part.

I certainly wish you every good thing in your present endeavor, and trust that the exposure you receive from this will ultimately be added to the illustrious record of the man who will, one day, be President of the U.S. of A.!

Your excellent service to the Presidency can only be good for the country and for yourself, as well as President Reagan - so, again, every good wish to you now and in the future.

Very sincerely -

Dear Senator Baker:

As an ex-Tennessean I cannot begin to tell you how proud I am of your new appointment. The President is indeed fortunate to have a man of your calibre as his advisor. My heartiest congratulations and best wishes for continued Success.

I've just finished listening to the President's Press Conference and feel he did very well. Physically, he appears healthier & more relaxed than in a long time and his answers firm and sure. Let's hope he can soon put this behind him and "get on" with running our wonderful democracy.  
Sincerely,  
Boggy Hartman

Dear Mr. Howard Baker,

I am 21 years old and a former Congressional page in the U.S. House of Representatives. It was during my time in Washington that I had both the opportunity and honor of meeting you when you were the Senate Majority Leader (1982).

I would just like to congratulate you on your new position as White House Chief of Staff. As I have personally witnessed your traits of leadership and integrity practiced, I am confident you will prove to be a great asset to the Reagan Administration. Thank you.

Yours Truly,

Dear President Reagan,

Yesterday Dr. Norman Vincent Peale gave the sermon on the Hour of Power broadcast. His forty minute address was full of his humor, ~~common~~ sense and vivid illustrations as he once again reiterated "Positive Thinking Works Wonders".

One of the examples he gave about how people think -

He was walking in Chinatown in a major city and was going past a tattoo parlor when a certain tattoo in the window caught his eye.

BORN TO LOSE stated the tattoo.

Curious, he went inside and inquired whether people really would inscribe such a <sup>negative</sup> statement permanently on their bodies.

"Of course, replied the shop owner, "but before tatoo on body - tatoo on mind!"

I'm encouraging you to keep the "tatoo on your mind" one of strength, ability, determination and accomplishment so that then in reality, it is what will take place "on the body of America".

My respect,

Marie Pikul
